VEGAN

WINERY

Bodegas CARE was founded in 2000 as a familiar and modern project focused on grape and wine quality. With 150 hectares and 4,000m and two state-of-the art facilities for wine making, the winery aims to lead an area with a great heritage. CARE is the brand and intends to be the New Face of Garnacha in Aragon.

LOCATION AND CLIMATE

D.O.P. Cariñena, Northeast of Spain. Altitude from 600 - 800 meters, Continental/Mediterranean climate, scarce rainfall below 250 liters, cold and dry wind called Cierzo. Rocky and poor soil.

WINEMAKER'S IMPRESSIONS

Intense cherry colour with layers of violet tones resulting in a wine with an attractive appearance. The nose displays very aromatic. It reminds of red berries and cherries. On the palate the wine shows medium body and fresh lovely red fruit, which is perfectly balanced.

Sensations remain hidden somewhere in our memory. To revive them, you just have to uncork them. WHEEL OF FLAVORS prepared by the CARE wine lab team.
