PRESS RELEASE

Vinous–Joaquin Hidalgo– november 2024

The 2022 Cabernet Franc Diamandes de Uco hails from Campo Los Andes in the Uco Valley. This wine presents aromas of ash and black fruit, complemented by a plush yet slightly tannic mouthfeel that defines its flavorful character. As the winemaker noted, it reflects the challenges of the hail-damaged vintage, resulting in a wine with a tight finish.

Aromas of herbs and dark berries. The palate is medium- to full-bodied with fine-grained tannins and rich, voluminous fruit that's opulent without being excessive. Drink or hold.

Jeb dunnock – May 2025

Quiet on the nose, the 2022 Cabernet Franc DiamAndes de Uco is herbal and earthy while reining in the variety's greener characteristics. Peppercorn, cedar, violet, and a hint of plum all dance around the edges of its medium-bodied frame. Cellar through 2032.
